

A little about me...

Hello,

Welcome to the Erland Family. I always tell my students, the moment you step into my classroom, you become part of the Erland Family!

My name is Aimee Erland. This is my 9th year of teaching and 3rd year at Bay Vista. I have a Bachelor's degree from St. Petersburg College and currently pursuing my Masters Degree In Elementary Education with a STEM concentration at University of South Florida. I will be graduating 4 days before school begins! Yay!

I have been married to my husband Nicholas since 2013. We have one daughter, who is 5 years old named Madilyn. She will be attending Kindergarten this year at Bay Vista. We have 2 dogs (Bella and Darwin), 2 guinea pigs (Gabby and Pandy) and one cat, (Jessie). I love to run in my free time and enjoy many trips to Disney World.

I am excited to witness the growth each student will achieve. I believe in working with families as a team to help each student do their best work inside and outside of school. Please download the Class Dojo app, so we can communicate as needed during the year.

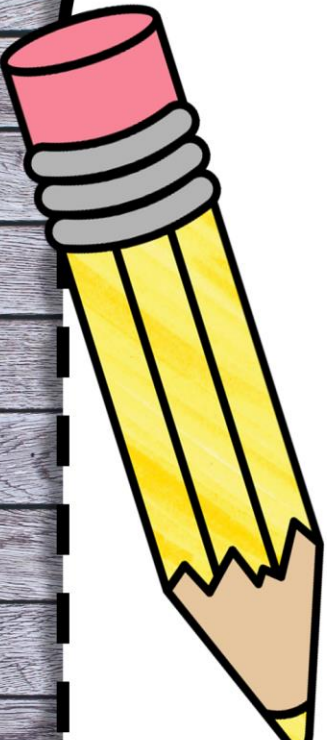

Your partner in education,

Mrs. Erland
