Dear Seminole Elementary Families,

It is hard to believe that the end of the school year is here. While this year has had its share of challenges, it has also been a very memorable and rewarding school year. I am extremely proud of all of our students and staff. As we are closing out the school year, we are also planning for the upcoming school year and looking forward to an amazing 2021-2022 school year. I hope you have a safe summer and we look forward to seeing our students on June 21 for Summer Bridge and our first day of school on August 11, 2021. We are Seminole Strong! Thank you.

Last Day of School Dismissal
Summer is fast approaching. The last day of school for students is Wednesday, June 9 Please note that this is an early release day and students are dismissed at 12:50.

Important Information about 2021-2022

1. If your child is currently registered at Seminole Elementary, you do not have to register your child for the next school year. You will receive information regarding your child’s homeroom teacher via the U.S. mail approximately 1 week prior to the start of the school year. At the beginning of the school year, we ask that you update your child’s emergency card.

2. Grade 5 students going to middle school do not need to register, the information will automatically roll over to their assigned middle school.

Address Changes
If you moved or are planning to move over the summer, you must change the address with the school.

2021-2022 School Calendar
Attached to the newsletter is the 2021-2022 school calendar. We hope that this information is helpful as you plan vacations for next year. We respectfully ask that you please plan family vacations on non-student days.

Business Partnerships
We are currently looking for businesses that would like to advertise in our Seminole Elementary folder. When a business purchases advertising space your advertisement will be going home to over 500 families. If you own or work for a business that would like to place an ad on the back or inside cover of our folder you may purchase a space:

- $200 for business card size
- $400 for a half page
- $800 for a whole page

Please contact Theresa Cail in the school office if you are interested in purchasing an ad space in the folder. We also have other business partnership opportunities available.

Summer Bridge
Summer Bridge is 4 days a week beginning June 21- July 15, from 8:30-1:30.
Summer Bridge teacher assignments and additional Summer Bridge information will be going home with the students in the report card envelopes on the last day of school.

Student Medication
The school year ends on June 9th. Pinellas County School policy does not allow us to send medication home with students or store it over the summer, even if your student is returning for Summer Bridge. Please arrange to come to school to pick up any unused medication, including inhalers and Epinephrine Devices. Any unclaimed medications will be disposed of on Wednesday, June 9th by 12:00 noon. Any questions, please contact school at (727)547-7668

R’ Club
R’ Club will be open during the summer months Monday- Friday 6:30 a.m.- 6:00 p.m. for Summer Bridge students. R’ Club will be open from June 14- July 30th. Please contact Kerrie Wilson for more information at 727-397- 5937

Summer Reading
Aside from attending the Summer Bridge Program, reading is the best thing that students can do this summer to prevent that “Summer Slide” To help promote summer reading, we created a summer reading incentive. Please see the attached flyer for details and we hope that all of our students complete their summer reading log. In addition to the Seminole Summer Reading log, the Tampa Bay Rays have a summer reading program that allows students to earn tickets to the Rays game. Go to website for more information

School Counselor News
The Character Trait that we have highlighted this month has been
Caring. What a pleasure it is to see the staff and students at our
school who care so much about others, particularly since this has
been a year of many challenges for our families, school, and
community. When we ask someone how their day is going, or try
to encourage and build others up, it lets them know that we care.
When we see that others are having difficulty with math, reading,
science, art, music, or PE, and we show them what to do or help
them, it tells them that we care. When we include a friend, let
someone go ahead of us, or share with them, it says that we care
about them. When we say nice things, rather than using words
that hurt, we are saying that we care about others’ feelings.
A special card, or remembering someone on a special day, also is a
way to say, “I care about you.” Let’s find someone today, and
every day, that you can show that you care about them.
Mrs. Schultz

Fun Celebrating Students Who Achieved Their Reading Counts Goals

Congratulations to the winning Mosaic Mural title thought up by Ava Salerno, "Peace of Positivity"! What an appropriate title for a mural in the car circle that we could all use more of these days. Great job, Ava, and come back to show your family and friends the plaque as a great memory of your contribution to your time in the Art room at Seminole Elementary!

The Greatest Show Chorus Concert was a Huge Success

Thanks to everyone who attended our 4th and 5th Grade Chorus Concert last week. It was such a joy to see everyone together, live in person! Thanks to all the faculty, teachers, parents and especially students who came together to make it such a magical night! I’m so proud of all the Chorus has accomplished this year and am looking forward to making more music next year! To all my graduating 5th graders, I’m going to miss you so much! Thanks for all the laughter and joy this year. You guys are absolute rock stars and Seminole won’t be the same without you. Love you so much and wish you all the best in Middle School!
