Dear Seminole Elementary families,

I hope you have a wonderful Thanksgiving Holiday. It is hard to believe that we are almost halfway through the end of the 2nd grading period which ends on December 17. I want to thank parents for continuing to support their child’s education by having them read every night, signing their reading logs, completing 5-10 Dream Box Lessons and Istation on Clever. While we want our students to enjoy the time with their family and friends during the Thanksgiving Break, we would also like for learning to continue. The myON Fall Reading Challenge runs until November 28th. We encourage all of our students to take part in the challenge and “Ramp Up Their Reading”. See link below.

https://pinellas.renaissance.com/2021-fall-reading-challenge/

MAP Assessments

All students in grade K-5 complete an online assessment three times a year known as MAP Assessments. MAP assessments are used to measure a student’s growth in mathematics and reading. The Fall assessment gathers baseline data. The Winter and Spring assessments measure progress. They are used to chart a student’s academic growth from year to year. The data from the MAP assessments helps the teachers carefully monitor the student’s academic progress and provide remediation and enrichment when needed. Students will be taking their Winter MAP Assessments from November 30th - December 16th.

Seminole Elementary Celebrates Holidays Around the World (Winter Fest) December 16.

All of our Seminole families are invited to our Winter Fest Family Night on Thursday, December 16 for an evening of holiday fun. Participants will have an opportunity to make holiday ornaments, decorate cookies, tour the school and see the Holidays Around the World, have hot cocoa and watch a holiday movie. Our evening will kick off with dinner (optional) followed by a holiday performance by our chorus students. See attached flyer for details and information for ordering dinner.

5:00-6:00 – Pizza and hot dogs at picnic tables
5:30– 6:00- Grades 4/5 Chorus Performance, Kindergarten & Grade 1 Performance
6:00– 8:00 Winter Fest

Congratulations to Our Outstanding Readers:

One aspect of our school wide reading program is for the students to read 45 minutes in Grades 3-5 and 20-30 minutes in grades K-2. After students read a book or have a book read to them, they take an Accelerated Reader test to earn Accelerated Reader points. Congratulations to the following students for earning 100 points in grades 3-5 and 50 points in grades K-2:

3rd Grade
- Lainey Gamache
- Samantha Johnson
- Harper Palmese
- Reagan Stanton
- Isabella Tatham

4th Grade
- Jordan Seibert
- Katie Fitzpatrick

5th Grade
- Autumn Johnson

PMAC Salvation Army Food Drive

Thank you to everyone who brought in cans for our canned food drive. We collected 1,260 cans. Our winning class was Mrs. Misener’s class who brought in 128 items.

Picture Retakes

November 30th will be PICTURE RETAKE DAY. Any student that did not have their picture taken in October will need to have a picture taken.

Parents, if you purchased a package and would like your child to have a retake, they WILL need to bring their package with them to the photographer the day of pictures.

If You See Something Say Something

Look for Warning Signs. If you see something suspicious, Say Something.

Holiday Shoppe at Seminole

December 1st – 3rd Students can purchase special gifts ranging from $1-$5 for family and friends for the holidays. The Holiday Shoppe will be opened from December 1st – 3rd in the morning at the car circle. This is Sponsored by our PTA
Parents of students with disabilities invited to make a difference at their child’s school

The Exceptional Student Education department is launching the ESE Parent Connector program. The program empowers parents of students with disabilities to support Exceptional Student Education at the school level. PCS is planning to have at least one Parent Connector at each school to expand ESE awareness and share resources with their school communities.

If you are interested in becoming an ESE Parent Connector or would like more information, please fill out an online [survey](https://www.pcsb.org/cms/module/selectsurvey/TakeSurvey.aspx?surveyID=687)

**Level Up:** Free online enrichment programs for students and families

Pinellas County Schools is continuing to provide free virtual resources. Level Up allows students and families to make the most of their PCS Connects digital learning devices. This week, students and parents can work through the steps of the informative writing process, learn about Math and ELA concordant scores on the road to graduation and take an art session with an artist at The James Museum.

- **Home Nearpod for step-by-step informational essay**
  Students and parents will use Nearpod to work through the steps of the informative writing process. There will be step-by-step practice on writing skills such as, breaking down prompts, note taking, and student generated ideas. There is also an opportunity to take what you learn and write an entire informative essay from start to finish. This is a great way for parents to gain knowledge of the informative writing process as they work through this self-paced Nearpod with their student. Target Group: Students and Parents Grades 6-8.Date: Nov. 11-June 1. Link: [https://app.nearpod.com/presentation?pin=QZUPD](https://app.nearpod.com/presentation?pin=QZUPD)

- **All you need to know about concordant scores on the road to graduation**
  This Math and ELA Level Up to Graduation virtual workshop will introduce students and parents to an ELP course in Canvas where students can get support toward earning a concordant score on the ACT or SAT. Students’ concordance scores will be reviewed, there will be a tour of the Canvas course and an explanation on how students can engage in the options to improve their chances for earning a concordant score. Target Group: Grades 9-12. Link: [https://web.microsoftstream.com/video/f5e15184-89ec-494c-9209-d3e913898ec9](https://web.microsoftstream.com/video/f5e15184-89ec-494c-9209-d3e913898ec9)

- **The James Museum and artist Stan Natchez Virtual Art Field Trip**
  This interactive session will include stories of art-making adventures from a famous Native American Pop Artist with art exhibited in The James Museum. Online resources will be shared for students to create their own Pop Art! Grades 4-8. [https://www.youtube.com/watch?v=0bkK0um33Cs](https://www.youtube.com/watch?v=0bkK0um33Cs) Access the self-paced Nearpod interactive presentation with linked online resources with student code: zg5ic.

Thank you to all the families who contributed to our class this month! You are appreciated and I am thankful to have such a wonderful class with terrific kids! Ms. Conde

**School Counselor News**

Mrs. Holly Schultz, School Counselor

This month we observed Veteran’s Day and have been focusing on showing good citizenship as our character trait. We are all part of our school community and are citizens where we live. So, remembering that we are part of that community and that we need to follow rules as well as do our part to serve and give back to others is very important. We do have a wonderful giving community. Let’s teach our children to have a positive impact on their classmates, friends and neighbors as well as their family. Let us also continue that effort as we focus on kindness as our character trait for December. Let’s model and teach our children to use kind words and to treat others as we would like to be treated. Take note of things that your children are doing that are particularly kind. Show them that you noticed and thank them for it.

**The Fine Motor Corner**

by Kimberly Meyer, MS OTR/L our school based Occupational Therapist

Screen time overload!

Today’s children ages 8 to 18 are spending an average of 4 to 6 hours or more per day on a computer playing games or watching videos. Research has shown, via brain scan studies, brain atrophy occurring in areas of the brain responsible for many important functions. Earlier onset of serious vision problems have also been reported. The American Academy of Pediatrics came out with guidelines for parents recommending no screen use for children under 2 years old and only an hour at most on screen time per day for kids ages 2 to 5. The American Academy of Pediatrics recommends parents of children ages 6 and older to place consistent limits on the time spent using media, and not the types of media, and make sure media is not taking the place of getting enough rest, playing / physical activity, and other behaviors essential to health. Visit [HealthyChildren.org/MediaUsePlan](https://www.healthychildren.org/ACT或SAT. Students’ concordance scores will be reviewed, there will be a tour of the Canvas course and an explanation on how students can engage in the options to improve their chances for earning a concordant score. Target Group: Grades 9-12. We are Thankful!
Words from Mrs. Whiteley

As we prepare to take a short break from school for Thanksgiving, we want to express our gratitude for everyone who makes it possible for as many students as possible to come to school every day, on time, ready to learn. We thank:

- Our wonderful teachers who pour their energy into making each classroom an exciting place for exploration and knowledge so children do not want to miss out on learning
- Our support staff and community volunteers who provide the extra hands and attention our children need

We appreciate each one of you so much. We look forward to seeing you after the Thanksgiving holiday. We also hope you will keep in mind that school is closed on November 25th for the Thanksgiving holiday. Just a few missed days here and there, even if they’re excused absences, can add up to too much lost learning time and leave your child behind in school.

Mrs. Marr’s Musical Notes

This year our school has purchased Accelerated Reader. Accelerated Reader (AR) is taking the place of Reading Counts. AR is a popular reading program used in schools. AR helps teachers track students’ independent practice and progress with reading. Students take a short quiz to assess comprehension and vocabulary skills. Student will have individual goals based on their reading level to meet. We will have goals and recognitions for students who meet or exceed their goals.

Ms. Ward’s Words

One of the greatest gifts we can give our children this time of year is to teach them the practice of daily gratitude. Often times we get hung up on the hustle and bustle of planning for the holidays and shopping for gifts, and we forget to take inventory of the gifts we already have. This time of year can be stressful, and can trigger big emotions in children and families for many reasons, but practicing daily gratitude is one small way to keep ourselves and our children centered and calm. It’s as easy as using our five senses to name five things we are thankful for, or drawing a picture of something that makes us smile. Gratitude reminds us that there is always something in our lives to be grateful for, no matter what hardships we may face, even if it’s just the air we breathe that day.

Happy Thanksgiving Seminole families, I am so grateful for you! Thank you – Ms. Ward
The Great American Teach In was held November 17th. Students had the chance to learn about careers like being a firefighter, pharmacy tech, a nurse, and Veteran. They also learned about hobbies creating music, and music production. Presenters also came out and shared information on germs and ways to protect our aquifers and conservation. We would like to thank DJ Hite, Mr. O from the army, Ms. Fogal of Bay Care, Ms. Miller from the VA Hospital, Fire Fighter Le from Pasadena, Mr. Plamatos of Bay Care, Mr. Wilson, and all other parents and adults who participate in this year’s Great American Teach In.

Speed Stacking at PE

Speed Stacks cup stacking is an amazing sport of fitness, agility, concentration, and quickness. Students were able to experience this at PE when a representative from Speed Stacks came and taught students how to do cup stacking and play games using their products. Cups, mats, and timers are available for purchase on their website in their group order store: [https://www.speedstacks.com/go/](https://www.speedstacks.com/go/) Every purchase benefits our PE department to be able to also purchase materials to enrich your child’s experience at PE. We have the materials in our classroom so there is no wait or charge for shipping. What a great gift for the holidays! We are able to bring the materials to you in the office if you would like to pick them up yourself to surprise your child later. Thank you for helping to make our PE department a fun experience for your child. Sales will end Friday December 17th.
