Dear Seminole Elementary Families,

I hope you all enjoyed your Spring Break. It is hard to believe that we are in our final grading period. As we enter the final quarter of the school year, our teachers and students continue to work hard each day. Each grade level is preparing to show off their remarkable growth on a variety of assessments that will showcase their achievement. We are proud of our students for working hard to prepare for the upcoming Florida Assessment of student Thinking (FAST) testing which will begin in April and continue into May. A more detailed schedule and letters will be sent out soon informing families of the days of FAST testing. I would also like to remind everyone that we are still teaching and students are still learning in preparation for the next grade level. Our focus is on the importance of arriving to school on time and reading every evening at home so that every child has the best opportunity to make academic growth and gains. The remainder of the 2022-2023 school year is going to be amazing as we continue to provide academic experiences for our students that are rigorous, relevant, and enriching. As your Principal, it is important to me that everyone who steps through our doors, teachers, students, parents and the community are excited to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. Please keep an eye on student agendas, our website, as well as school messenger for important information.

As we are preparing for the final grading period and end of the year, we are also preparing for our Summer Bridge Program. We are pleased to be offering Summer Bridge at Seminole Elementary. Summer Bridge is offered to ALL students in grades PreK 4- grade 4. ALL of our Seminole students are encouraged to attend for continued learning and to prevent that “Summer Slide”. Summer Bridge is a 4-week program June 5- June 29 , Monday- Thursday from 8:00 a.m.-2:00p.m. Breakfast and lunch will be served. Before and after school childcare is available through our R Club for Summer Bridge students 5 days a week. 6:30 a.m.-6:00p.m. Contact R Club at 727-578-5437 for registration information. Thank you for supporting your child’s education and our school. Seminole Elementary is a wonderful school because of the dedicated staff and all of you. My door is always open and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the remainder of the school year.

Congratulations to Our Outstanding Readers: One aspect of our School Wide Reading Program is for the students to read 45 minutes for Grades 3-5 and 30-minutes grades K-2. After students read a book or have a book read to them, they take an Accelerated Reader test to earn AR points. Congratulations to the following students for earning 100 points grades 3-5 and 50 points grades K-2:

Dear Families,

We are now beginning the end of the year testing season in which we find out how much your child has grown this year! We have seen their growth and are excited to show everyone else their progress.

The first test is for 4th and 5th grade students and is a writing test slated for the week of April 10th. We are a writing field testing school which means that we were chosen to take part in the test for the state of Florida. No scores for writing will be reported this year. The test is planned to go “live” next school year.

For the other year-end assessments, please find the dates below for the Progress Monitoring 3 F.A.S.T state test. Like with Progress monitoring cycles 1 and 2, all students, VPK – 5 grades will participate in this test. This cycle will determine student proficiency of grade level standards and will be used to calculate our school grade.

We are now beginning the end of the year testing season in which we find out how much your child has grown this year! We have seen their growth and are excited to show everyone else their progress.

We are looking forward to our students showing what they know! As we get closer to these dates, teachers will let you know the specific dates your child will test. Please look for more detailed letters about these tests coming home in the upcoming days.

Testing is schedule for the week of:

April 24th – VPK – 2nd grade students will test one day for ELA and one day for Math.
May 1st – 3rd – 5th grade students will take the ELA test
May 8th – 5th Grade will take the Science paper-based test.
May 15th – 3rd – 5th grade students will one day math test. Please let me know if you have any questions about testing.

Sincerely,
Dr. McCafferty

This month we participated in “Say Something Week” at Seminole Elementary. Each day of our theme week highlighted an important aspect of being safe and being an Upstander. We reviewed our safety rules which are:

1. Know What’s Up – have a plan, know your address, and phone number, and know the first and last names of your parents/guardians.
2. Spot Red Flags – if something someone says or does makes you or someone else feel unsafe or uncomfortable, listen to the signals your body is giving you that say something doesn’t seem right.
3. Make a Move – If something or someone makes you feel unsafe or uncomfortable, get away and go to a safe place or person. If you think something might be unsafe or uncomfortable, stay away!
4. Talk it Up – If something makes you feel unsafe or uncomfortable, you can use your strong voice to say “NO.” Always tell a safe adult when you spot a red flag.
5. No Shame/No Blame – When you tell a safe adult that something made you or someone else feel unsafe or uncomfortable, it is NOT tattling. Telling a safe adult is the right thing to do!

We talked about what it means to be a trusted adult and made thank-you cards for the trusted adults here at Seminole Elementary. We talked about taking good care of ourselves and made a huge paper chain full of ideas for self-care. On Friday, we celebrated our Upstanders with a donut party. Students who were nominated for an Upstander award were invited to get a donut, get their picture taken in the photo booth, and feel celebrated for standing up for others who were being picked on, making others feel welcome or included, or helping resolve a conflict.

Thank you to everyone who participated by dressing up, standing up, and showing up! – Mrs. Moore
4 Great Ways to Encourage Your Child’s Writing

1. Write a “Convince Me” Letter – Writing is more than telling stories or reporting on books they have read. There are many ways your child can use words, including trying to convince someone to agree with them. As a parent you can practice this type of writing by letting your child argue with you in writing. Choose a topic you do not agree on, such as allowance or bedtime. Your child will then write a letter trying to convince you to change your mind. Your child has to use facts, quotes and logic to back up their argument.

2. Play a game with pictures – Do a search to find a few interesting images or cut out pictures from magazines. The pictures can be realistic or fantastical images. Glue some of the images into a notebook leaving room for your child to write about one of the images. You can prompt them by asking what they see, what the people are thinking, what will happen next or just let them use their imagination.

3. Make an “I Can” book – As your child learns to read and write, they will also be learning other new skills. Making an “I Can” book will let them practice their new skills. Staple together a bunch of blank sheets of paper to make a book. As your child reaches a new milestone, such as learning to tie their shoes or ride a bike, they can draw a picture on a new page in the book. After the picture, they can write sentences to tell about their accomplishment.

4. Make a Journal Jar – A journal can be a book where your child writes about ideas or answers questions, such as, “If you could do anything this summer, what would you choose?” This is a place to keep all their ideas and questions. To make, wash and decorate a wide-mouth jar. Then write or print out journal prompts on slips of paper. Your child can then pull out one prompt each day and write about it in their journal.

We are looking for volunteers to assist our 5th grade class at Enterprise Village on April 25th. Any registered volunteer, regardless of the grade their student is in, can help with this field trip. If you would like more information please contact Heather Plankey in the front office. 727-547-7668.

If you are interested in volunteering at our school, please register at www.pcsb.org/volunteerregistration.

The next PTA General Meeting will take place on Tuesday, April 11th at 5:30 p.m. in the cafeteria. Immediately following the meeting the PTA will be hosting a fun movie night. Please attend and have a fun “week night” out with other Seminole Elementary families.

Please bring your photo ID when you come into the school office to sign out your student, check in for conferences, or to meet your student for lunch. Families can eat lunch with their student on Wednesdays and Fridays. If you are planning on picking your student up early please notify the office in advance so we can have your student ready for you. Early pick up of students should occur before 2:15 p.m.

Lost and Found

Our lost and found is overflowing with jackets. If your student has lost a jacket please have them check our lost and found in the front office.

Clothes Closet

Please consider donating any gently used shorts to our clothes closet. We are still in need of shorts (sizes 6-14). You can bring donations to the front office.

Clinic Minute

Stay Hydrated

Bring your water bottle to school every day. We do not have extra water bottles. Drink all your water and refill it throughout the day ~ especially before PE and Recess.

DO NOT wear your sweatshirt, hoodie, jacket, or beanie, while outside ~ You will sweat and become overheated and feel sick even quicker!

Signs of dehydration:

- Thirst
- Feeling lightheaded, dizzy or tired
- Fast heartbeat
- Dry lips and mouth
- Stomachache

Your body needs water to work properly!!

When we sleep, the brain isn’t resting. Are you a lark or are you an owl? Larks are the morning people, most alert around noon and go to bed early. They usually get more sleep than the owl. Owls stay up late and are most alert around 6pm. Being a lark or an owl can be genetic.

Studies have proven that your brain needs sleep for cognitive demand, focus/attention and overall brain health. According to research studies, sleep deprivation affects learning.

How much sleep should you and your children be striving for? According to the CDC, Children 3-5 years old should get 10 – 13 hours of sleep (including naps) per 24-hour period. School age kids 6-12 years old should be getting 9-12 hours of sleep per 24-hour period. Teens 13-18 should get 8 to 10 hours of sleep in a 24-hour period. Adults should strive for 7 hours of sleep in a 24-hour period.

Establishing a routine is essential for setting you and your child up for a good night sleep. Screen time should end two hours before bedtime and the bedroom cool, darker and quiet.
