

2022–2023 Uniform Statewide Assessment Calendar

According to Section (s.) 1008.22(7)(c), Florida Statutes (F.S.), and State Board of Education Rule 6A-1.094224, Florida Administrative Code (F.A.C.), each school district must complete this uniform calendar with district-required assessment information, publish the calendar to the district website, and provide it to the Department by October 1 of each school year, beginning in 2016–17. Districts must provide completed calendars to schools and include the calendar in their parent guides. In addition, each school must publish the completed calendar on its website.

The statewide assessment information in sections 3 and 4 should not be altered; however, districts may otherwise modify and populate this template to accurately indicate their assessment schedules for the school year.

1. Glossary of Assessment Terms

The following glossary includes definitions of assessment terms and explanations of acronyms used throughout this template. Districts may add rows as needed for additional glossary terms that are specific to district-required assessments. Do not modify any other information in this section.

Acronym/Term	Definition
ACCESS for ELLs	Assessing Comprehension and Communication in English State-to-State (ACCESS) for English Language Learners (ELLs)
Accommodation	Per Rule 6A-1.0943, F.A.C., “Accommodations are defined as adjustments to the presentation of the statewide standardized assessment questions, methods of recording examinee responses to the questions, scheduling for the administration of a statewide standardized assessment to include amount of time for administration, settings for administration of a statewide standardized assessment, and the use of assistive technology or devices to facilitate the student’s participation in a statewide standardized assessment.”

In statute, concordant refers to scores associated with the ELA assessment and comparative refers to scores associated with the Algebra 1 assessment. A student can meet assessment graduation requirements by earning a concordant or comparative score as specified in Rule 6A-1.09422, F.A.C.

¹ Paper-based accommodations (e.g., regular print, large print, braille, one-item-per-page) for computer-based tests are available to eligible students if indicated as an accommodation on an IEP or Section 504 plan.

² Any student taking an EOC assessment aligned to the Florida Standards or the B.E.S.T. Standards who has not completed a session by the end of the allotted time may continue working up to half the length of a typical school day.

³ Any student taking an NGSSS EOC assessment who has not completed the session by the end of the allotted time may continue working; however, testing must be completed within the same school day.

⁵ The FSAA—Performance Task is designed for students with significant cognitive disabilities for whom participation in the general statewide assessment is inappropriate, even with accommodations.

⁶ Each district must choose to administer *either* the ACT or SAT. Complete the row for the assessment chosen by your district and then change the background for the assessment not chosen to gray and leave the district window cell blank.

⁷ Unless otherwise specified, all statewide ELA and Mathematics assessments are aligned to Florida's Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards. Retake assessments for the Grade 10 ELA and Algebra 1 assessments aligned to the Florida Standards are available for students for whom it is their assessment graduation requirement.

4. Statewide Assessments for SELECT Students

The following assessments are only intended for selected students/students in certain sub-groups. Populate the **District Window** column for the assessments in the table below. If an assessment is not being administered in your district, indicate “N/A” in the District Window column. Do not modify any other information in this section.

Because the tests included in this section are not administered to all students or, in some cases, are optional for students, the testing time for these tests should not be included in the total testing time calculated in Section 6.
