RAPID COVID TESTING

PINELLAS COUNTY SCHOOLS
Community Health Centers of Pinellas is providing a Rapid COVID Testing solution for Pinellas County Schools as we start the new school year. The testing produces results same day, within about 20 minutes.

TESTING DAYS & TIMES
Monday – Friday from 9:00 a.m. to 3:30 p.m.
(Closed for lunch from 12:00 – 1:00 p.m.)

ADDITIONAL INFORMATION
- **No** Appointment Needed
- Testing is for Pinellas County School Employees & Students (Pre-K to Grade 12) **WITH** Symptoms
- Parent or Guardian must accompany children **under** the age of 18
- Individuals **without symptoms** may utilize CHCP Community Testing which is available to **anyone** from 5 p.m. to 8 p.m. on Tuesdays (at Pinellas Park), Wednesdays (at Johnnie Ruth Clarke) & Thursdays (at Pinellas Park and Clearwater)

Step 1: Arriving at testing site & park near “Fast-Track Testing” signs. Please remain in your vehicle.

Step 2: Call the phone number listed on the “Fast-Track” signs (this will notify the testing team that you have arrived for testing). Again, please remain in your vehicle.

Step 3: CHCP Team will come directly to your vehicle to collect Photo ID & Insurance Card (if applicable). Registration & Consent Forms will be provided and collected once complete.

Step 4: You will be asked a few COVID Screening questions

Step 5: CHCP Team will come directly to vehicle for testing. The Rapid COVID Test is Nasal Swab.

Step 6: 20 Minute Results – Remain in vehicle until you receive a phone call with your results.

Step 7: If the rapid test is Negative for any patient with symptoms, a PCR (Nasopharyngeal swab) will be collected and sent to the lab for Confirmation.
