

Math @ Home

Welcome Bear Creek families to all things math! Check here monthly for ideas, tips, games and even helpful videos to help you support your child at home.

Our goal at Bear Creek is for teachers, students and parents to "show up" to help your child learn and grow! Reach out if you ever have any questions!

Dreambox

Students can get on Dreambox at home through Clever. Every students goal is 5-10 lessons/week. They should not exceed 15 lessons per week.

Focus

Starting next week, here you will find each months focus by grade level.

Ideas

Starting next week, here you will find ideas, tips, games and helpful videos to support the monthly focus.

Helpful Materials
It would be helpful to have these materials at home to support your childs math learning.

- Index Cards
- 1-3 dice
- One deck of playing cards
- Paper/pencils
