Welcome to the Civics Winter Challenge!!

We will be utilizing iCivics to complete several meaningful and engaging activities. Please follow these steps to begin the challenge:

1. Log into Clever and find the iCivics app.

2. Once on iCivics, you will need to click on "MY ICIVICS" in the top right-hand corner.

3. Next, click on "CLASSES" in the bottom left.

4. To access the Winter Challenge activities, you will need to join a new class. Use the class code: Hughes28459. You may need password Winterbreak.
5. You should then see the “**assignments**” available for the Civics Winter Challenge. There are 6 activities to choose from.

Some activities show your progress, until finished.

Other activities will indicate completion with a checkmark.
